Draft submitted for orders:

24/3/35. It seems desirable to consolidate all such details and issue instructions in the form of an Office Memo once a year to all the Municipal Officers instead of replying each individual Officer and sending copies of such letters to all Municipal Officers

The Jts raised in the letter may be cleared, to remove the doubts of this office. There is no need for a general O.M in this respect as the points are already settled & are not such as to go in for a Circular O.M.

MEMORANDUM

From

THE PRESIDENT,
CITY MUNICIPAL COUNCIL,
MYSORE.

To

The Secretary,
Central Recruitment Board,
Public Offices,
Bangalore.

SIR,

With reference to official Memorandum No.C.M.6447-546 C.R.B. 27-34-1 dated 23-2-1935, issuing supplemental instructions with reference to the Revised Rules of Recruitment, I have the honour to state that in Para (8) of the Memorandum, it is stated that a separate Register in the prescribed form may be kept for each kind of appointments for which lists are issued. The list published in respect of this unit relates to the appointments of clerks, Accountants, Store-keepers, Recrod Keepers and other similar appointments. There are certain executive appointments in this unit -- such as Collection Sheikdars, Collection Mutsaddies, Kanegars, Cattle Pound Darogas etc., for which no technical training is prescribed. I request you to kindly let me know if selection for these appointments may be made from the printed lists for the appointments of clerks &c., or if such vacancies have to be continued to be reported in the " A " Form, as heretofore.

As per instructions contained in Para (12) of the Memorandum, two Registers in the prescribed form, have been arranged to be opened one for the Executive Service, and the other for the Ministerial -- service, and each Register is divided into two portions- one for the I class of appointment and the other for the II class of appointments. Pending publication of lists for other kinds of appointments, it is proposed to register all vacancies in these two Registers only.

In this connection, I request you to kindly let me know if an -- initial vacancy in the ministerial line may in the case of a promotion vacancy be reduced to a consequential vacancy in the executive line, and vice versa,. and if in such circumstance, the consequential vacanc only may be taken into consideration for recording and classification of vacancies in the Vacancy Register.

It is also a point for orders whether a vacancy in the ministerial

P.T.O

ministerial line of any particular class may be filled up by appointing an official of the same class, in the executive line, and vice versa. In such a case, against a vacancy in the ministerial or executive line, a vacancy in the executive or ministerial line will be available for recruitment.

I have the honour to be,

Sir,

Your most obedient Servant,

PRESIDENT.

Dated, Bangalore, 15th April 1935

From

Secretary, Central Recruitment Board.

To The President,
City Municipal Council,
Mysore.

Sir,

With reference to your letter No.G.T. 1690 dated 22nd March 1935, I am directed to state as follows:-

1) Re: Executive appointments such as collection Sheikdars, collection Mutsaddies, Manegars - Cattle pound Darogas etc., These are appointments other than those for which approved lists are issued and are to be disposed of as before by advertisement in the Gazette through the Central Recruitment Board (vide Note to Rule 15 of the Revised Rules (Government Order No.G-105-CRB. 1-34-1 dated 3rd July 1934) As such, they are not to be filled up from the approved list of candidates for clerks, accountants, store-keepers, etc., In respect of all such executive appointments, the vacancies should be registered and reported in the "A" Form to the Central Recruitment Board for advertisement, as per procedure indicated in para 12 of the Official Memorandum of supplemental instructions indicated in No.6447-546-CRB 22-34-1 dated 23rd February 1935 (vide also further instructions issued since in Official Memorandum No.7712-811/CRB 27-34-2 dated 5th April 1935)

2) Re: para 2 of your letter about the Registers it may be stated that para 12 of the Official Memorandum referred to relates only to appointments (executive or ministerial) other than those for which approved lists are issued. In respect of all such appointments, there should be in the present prescribed form, one vacancy Register for the Executive service and one for the ministerial service, each divided into two portions one for class I and one class II of appointments.

All such vacancies should be duly registered and reported in the "A" Statement form as usual to the Central Recruitment Board for advertisement. This would be the position in respect of all such appointments under the Revised Rules and as there would be no lists published for these appointments, this would not be merely provisional arrangement. As such, your proposal for this arrangement only as a provisional are pending publication of lists for other kinds of appointments does not arise.

3) Re: paras 3 and 4 of your letter - Vacancies in the Executive line are entirely different and are to be kept quite distinct from those in the ministerial line, for purposes of registration and classification, there being a separate register for each, as clearly indicated in para 12 of the Official Memorandum of supplemental instructions as pointed out above. So an initial vacancy in the ministerial line ~~may~~ cannot in the case of a promotion vacancy be reduced to a consequential vacancy in the Executive line and vice versa etc., Vacancies in the Executive line need not be released from those in the ministerial line and vice versa and the two, have to be dealt with separately from and independently of each series and where approved lists are issued in respect of any particular kind of ministerial or executive appointment, it is to be dealt with separately without reference to the approved lists for any other kind of appointment (vide para 1 of the Official Memorandum of supplemental instructions).

I am also to invite kind reference in this behalf to the further instructions in Official Memorandum No. 7712-811 CRB 27-34-2 dated 5th April 1935 since issued.

I have the honour to be,

Sir,

Your most obedient servant,

Secretary
Central Recruitment Board.
